About NIU

Noida International University (NIU) achieved recognition for its academic prowess by receiving the highest score of 3.44 out of 4 with Grade A+ in the first cycle of NAAC accreditation, outperforming all other private state universities in India. This honor was bestowed by the prestigious autonomous institution under the UGC, Ministry of Education, Government of India. A wide spectrum of programs paired with flexibility, experiential learning and interdisciplinary orientation emancipate our students to explore their interests and pursue dream careers. CDOE focuses on practical skills and real-world applications.

Our Vision

"To be a global Centre of learning, Innovation, Professionalism and Academic Excellence Tempered with values and Ethics"

Our Mission

To create a vibrant environment conducive to passionate learning and original thinking

Interaction with academia and industry to promote quality research and pathbreaking innovations.

To nurture world class human resources in all domain for positive and meaningful services to the nation and society.

To inculcate the highest level of integrity, strong character and commitment in nation building to serve mankind through providing quality education and healthcare services to the society

Program Highlights

Clear Learning Objectives

Clearly defined goals and outcomes help students understand what they will achieve by the end of the course.

Engaging Content

Engaging content like videos, quizzes & discussion forums keep students engaged and helps cater to different learning styles.

User-Friendly Interface

An intuitive and easy-to-navigate platform ensures that students can focus on learning rather than struggling with technology.

Regular Assessments

Frequent quizzes, assignments, and feedback help students track their progress and reinforce learning.

Responsive Support

Accessible instructors and support staff can address students' questions and technical issues promptly.

Flexible Learning

Self-paced modules and flexible deadlines accommodate different schedules and learning paces.
